EXPERIENCE

Finance Analyst and CFA Level III Candidate with 10+ years of experience in financial analysis, forecasting, and strategic planning across various business units at Hewlett Packard Enterprise. Proven track record in improving company cash flow, reducing operating cycles, and harmonizing financial processes. Passionate about delivering value through meticulous financial insights and strategic advisory.

Hewlett Packard Enterprise

Hardware & Services Spain Senior Finance Analyst

March 2021 – Currently

- Leading financial analysis and advisory both hardware and services divisions, covering 70% of the company's portfolio.
- Partnered with business unit leaders to provide actionable insights on business strategies, pricing, and risk assessment, driving better investment decisions.
- Managed the quarterly P&L forecasting process and oversaw long-term budget planning, ensuring GAAP compliance.
- Optimized forecast process up to 95% accuracy up to BU level.
- Spearheaded a global cost relief initiative, selected by the CFO Board, which improved cash flow, reduced the liquidity cycle, and automated data consolidation across multiple systems. This initiative reduced 37 days operating liquidity cycle and improved +100M\$ CF from Operations.

Hardware Spain Finance Analyst

February 2020 – March 2021

- Supported the hardware business unit with detailed trend analysis, pricing strategies, and cash flow performance, contributing to improved margins and sales efficiency.
- Led the month-end closure process and collaborated closely with country managers to ensure accurate financial reporting.
- Played a key role in financial tools migration and reporting process improvements, ensuring smooth transitions across Southern Europe.

Storage BU Finance Spain Analyst

January 2018 – February 2020

- Provided financial modeling and analysis for business decisions, including P&L management and forecasting.
- Actively contributed to achieving annual targets through strategic financial input and coordination with the business unit manager.

Sales Strategy & Planning Analyst

April 2015 – January 2018

- Developed sales forecasting and quota-setting processes for multiple business units, driving improvements in sales readiness.
- Played a critical role in implementing a new CRM system (Salesforce) to harmonize sales processes across different business segments.
- Conducted in-depth market share analysis and provided strategic recommendations to support data-driven business decision-making.

Thomas De Carranza Abogados (Law Firm)

Paralegal - Litigation & Arbitration and Employment Law Departments

June 2014 – April 2015

- Full-time internship developing a wide range of responsibilities, especially in both, Litigation and Arbitration and Employment Law Departments.
